

Equipment Count

Foundation

Count how many there are of each item in the grid above and fill in the totals below.

					
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Now that you know the quantity of each piece of equipment, add the following totals together:

		<input type="text"/>
		<input type="text"/>
		<input type="text"/>

LET THEM PLAY
